GOLF IN AUSTRIA

© Golfpark Mieminger Plateau/ Paul Severn

Dear fellow golfers,

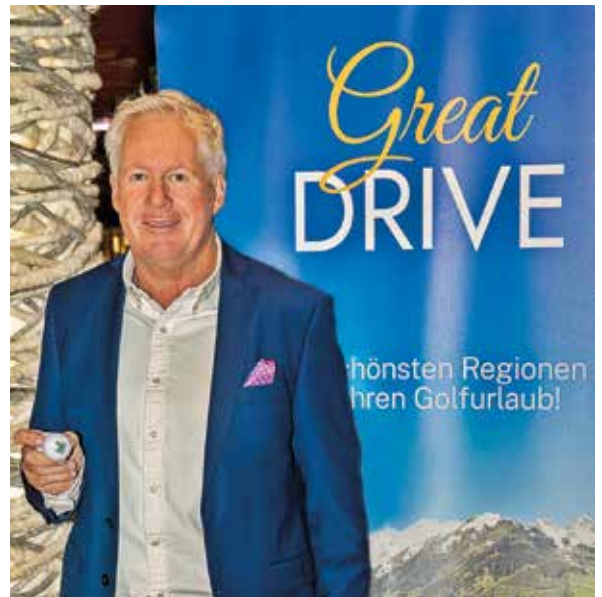

We are very pleased to present you our current Golf in Austria catalogue in our anniversary year! For 35 years now, our hosts in the golf clubs and golf hotels have been working under the umbrella of „Golf in Austria“ to provide the best possible offers for our golfing guests. We will celebrate our anniversary in 2023 - how could it be otherwise - with a tournament weekend, probably around 6 October at Hotel Schloss Pichlarn. If you have subscribed to our golfinfo via e-mail at www.golfinfo.at, we will be happy to keep you up to date on this and of course on everything else important about golf holidays in Austria.

In general, we are becoming more digital, even though we do not want to miss the Golf in Austria catalogue. The many panoramic pictures should give you the feeling of almost being there and provide you with ideas of which golf regions and great hotels you should include in your holiday planning. The QR codes placed throughout will take you directly to the extensive offers and detailed descriptions on our website, the www.golfinfo.at.

We hope that this season you will have plenty of opportunity to enjoy our hospitable golf courses and golf-competent hotels in the various natural landscapes of Austria! Mountains, lakes, forests and meadows are waiting to be discovered from perfectly maintained fairways. Your hosts at the Golf in Austria hotels are avid golfers themselves and create memorable moments and delights for their guests, on and off the green. Enjoy Austrian hospitality at the excellent Golf in Austria hotels and treat yourselves and your loved ones to a wonderful time!

We wish you a blissful golfing vacation and many wonderful rounds of golf in Austria!

Best regards on behalf of all golfing vacation experts in Austria.

VORARLBERG, AUSTRIA'S WESTERMOST PROVINCE,

surrounded by Germany, Switzerland and the Principality of Liechtenstein, is known for Lake Constance and for its many mountains, its modern architecture and lovingly restored old houses, its family-run businesses and global players, its impressive landscape and sophisticated culture. In short: for great diversity in a very small space. This makes Vorarlberg the perfect holiday destination for golfers who love variety.

Six very different golf courses are located within a short distance from each other, with hardly more than half an hour's drive between one course and the next. And the province also offers manifold enjoyments off the green, especially when it comes to sports, culture and culinary delights. Discover Vorarlberg as a guest and protagonist, as a gourmet and explorer!

A SPECIAL CHALLENGE. This golf park, opened in 2006, lies near Rankweil in the heart of Vorarlberg's Rhine Valley. What makes this 18-hole course special is its central and easily accessible location as well as its wonderful and harmonious landscaping on a lightly sculpted but otherwise flat terrain. Why not wrap up your day of golfing by relaxing on our beautiful panoramic terrace?

THE REGION SURROUNDING THE ALPINE CITY OF BLUDENZ HAS MUCH TO OFFER — apart from the fact that

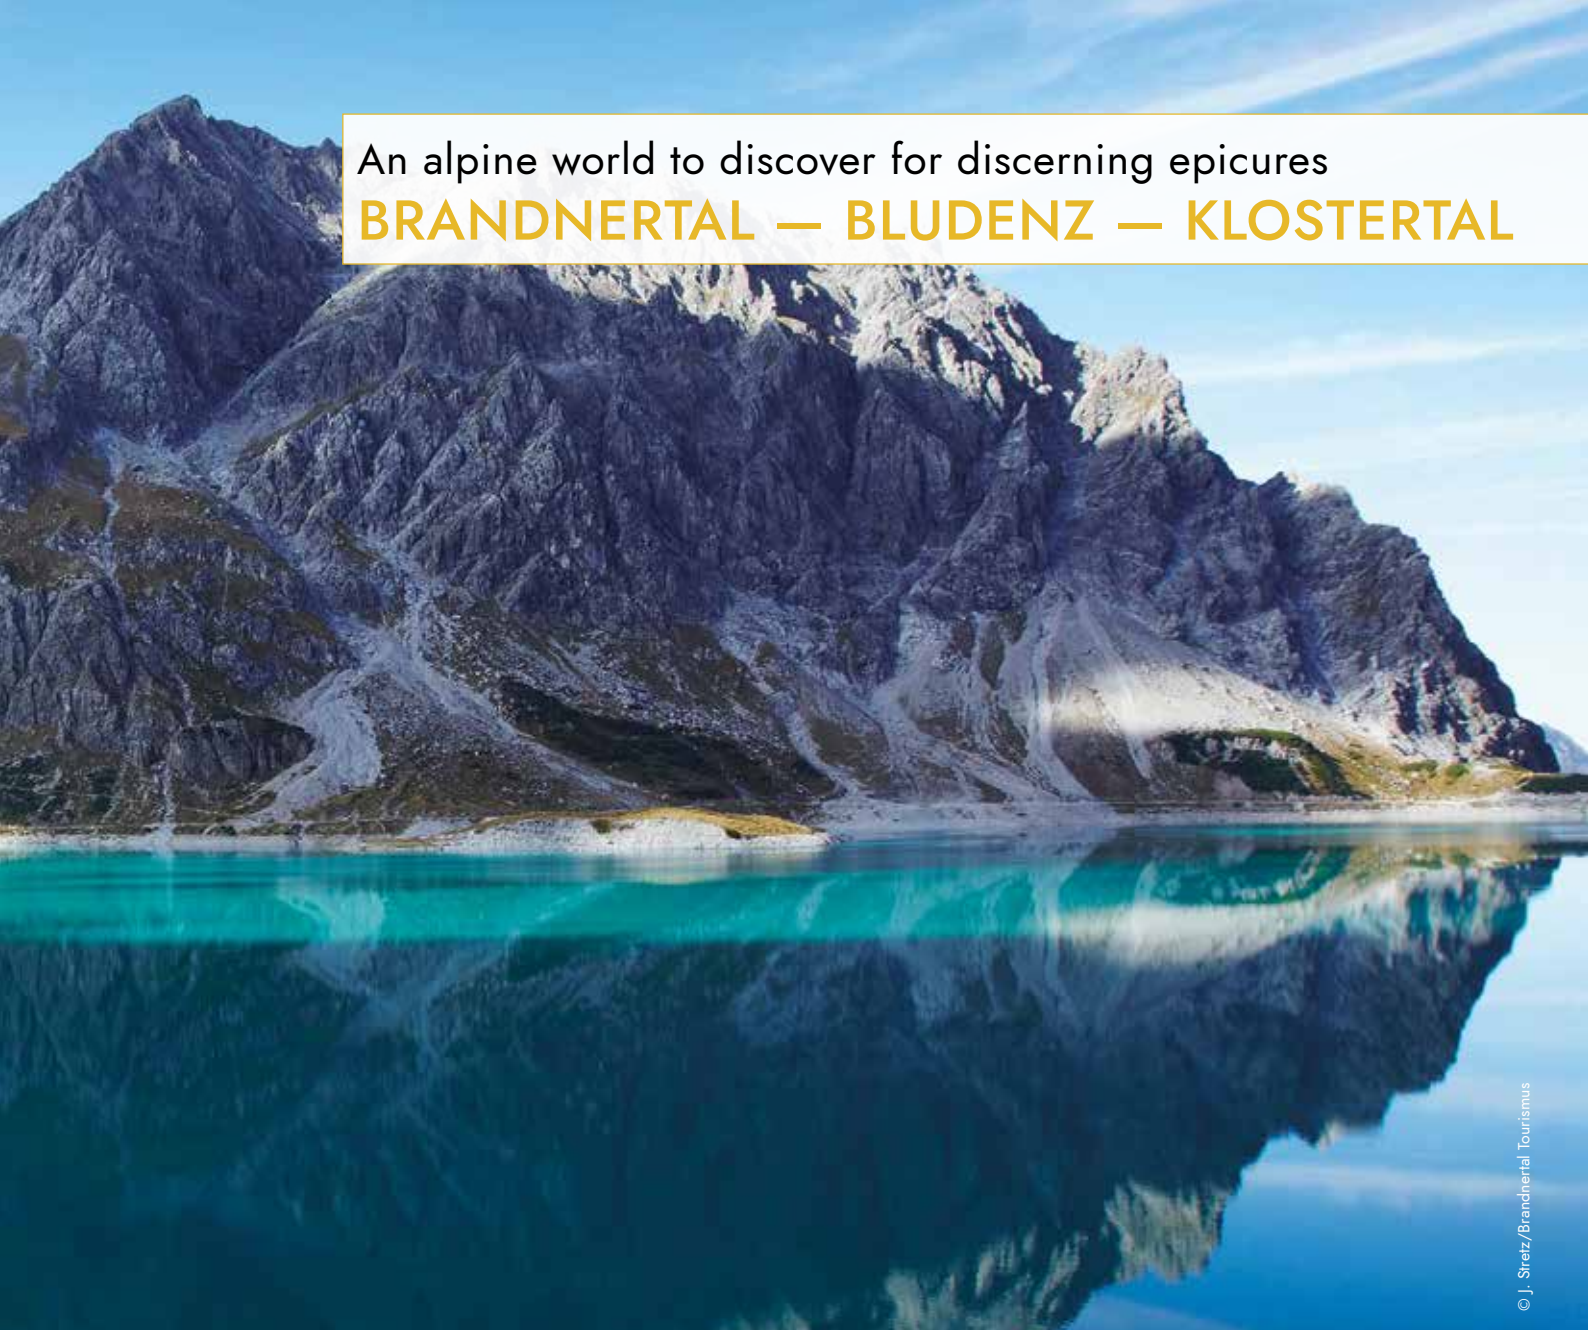

all golf courses in Vorarlberg can be reached by car within an hour. The Brandnertal valley is an ideal holiday destination for sporty nature lovers and families. Activities range from hikes at sunrise and bike tours in the valley to interactive themed walks. Meanwhile, the Klostertal valley invites an intense exploration of nature. Alpine destinations include the Rote Wand and the Formarinsee lake. The Alpe Nenzigast hiking trail is recommended for a leisurely walk. The Bärenland park on the Sonnenkopf offers fun and entertainment for families. The two valleys meet in the alpine city of Bludenz, with its inspiring combination of nature, culture and city life. It is not just an ideal starting point for all kinds of sports and outdoor activities but also home to many markets, restaurants and shops.

ALPINE ART MUTTERSBERG

The Muttersberg mountain serves as an open-air gallery! Works by six renowned artists, all made primarily from regional materials, are exhibited all year round along a themed walk.

KNEIPP GARDENS

The newly installed Kneipp gardens in Klösterle cover all elements of Sebastian Kneipp's five-pillar philosophy: The herbal garden invites visitors to discover the world of domestic medicinal plants. A bare-foot trail, yoga classes or a walk along the Alfenz river are great ways to focus on exercise and balance. The heart of the gardens is a Kneipp basin. And Kneipp's advice about nutrition can best be applied at one of the restaurants nearby.

HIKING WITH HUSKIES

It was expanded in the summer of 2018 by a new spa area, a restaurant with bar, a 200m² panorama terrace with a view of the golf course and 26 new rooms and suites. A SUMMER OF MANY COLOURS. A summer in Lech Zürs is always a time of discoveries. From high mountains to high culture. From adventures to haute cuisine. From adrenaline to relaxation. All this takes place in a setting of majestic alpine summits, rugged rocks and green forests that gives the landscape its magical flair. A fascinating and inspiring place. A perfect place for exchange between creative minds, philosophers and medical professionals. A place of power for musicians, painters, writers, athletes, vacationers ...

A PLACE OF LONGING FOR EVERYBODY. Here, summer has even more to offer. Perfect swings and shots in golf tournaments and on tennis courts. Squealing tires in rallies for classic cars and scooters. Laughter and dancing at village fairs and concerts. Of course, sometimes all it takes is the clear water of the mountain lakes or the forest pool to find summer bliss under the Arlberg sun.

THE BEST THING ABOUT GOLF IS THE LOCATION.

Especially when teeing off at the Bregenzerwald golf park. Architect Kurt Rossknecht has carefully considered the unique features of Weißbach Valley by carefully placing bunkers, ponds and greens in locations based on shape and form. Here even more you will find the original charm of the game, with wide fairways, exciting slopes and inclines — all embedded in the Nagelfluhkette National Park.

REISEN SIE INS GLÜCK!

ZUM BEISPIEL ZUM GOLFEN NACH ÖSTERREICH

Wissen Sie was? Ich habe keine Lust mehr auf Krise. Stattdessen möchte ich Ihnen etwas Schönes mitteilen: Mein Heimatland Österreich hat es unter die Top-10-Länder im World Happiness Report geschafft. Und was macht uns Bürger glücklich? Freiheit und Fürsorge, Großzügigkeit und Ehrlichkeit, Gesundheit, Einkommen und, naja, gute Regierungsführung.

Besser geht immer – aber Erfolge soll man auch feiern. So kennen wir Golfer es aus täglichem Erleben. Wer ist schon Weltspitze? Wichtig ist nicht der Vergleich mit anderen, sondern mit sich selbst zu einem früheren Zeitpunkt. Und da dürfen wir doch oft feststellen, dass wir uns durchaus entwickeln. Oft genug zum Besseren.

Noch eine gute Nachricht: Unser Glück haben wir selbst in der Hand. Mein Lieblingswert in der Glückseligkeitsliste ist die Großzügigkeit. Sie macht fast alles andere möglich. Ich lade Sie ein, einmal bewusst großzügig durch Ihren Tag zu gehen. Am besten ist das ein Tag auf dem Golfplatz – vor allem, wenn Ihr Flightpartner einen richtig guten Lauf hat. Nehmen Sie sich vor, sich mit ihm zu freuen! Sie werden merken, dass das auch etwas mit Ihnen macht.

Mit mentaler Stärke zu Ihrem Wunsch-Score:

Golfen unter Glücklichen: Das können Sie auf jedem Platz haben! Natürlich zieht es auch mich auf legendäre Greens. Nur: da spiele ich oft am schlechtesten. Wer ist schon ganz bei sich, wenn Aura und Legende ablenken – und das Privileg hier spielen zu dürfen Ehrfurcht auslöst?

Kommen Sie doch einfach nach Österreich. Wir haben nicht nur wunderschöne Golfplätze, sondern auch eine einzigartige Natur, die sie einrahmt, eine fantastische Küche, großartige Weine und ein freundliches Wesen. Sie müssen nicht einmal weit reisen – und privilegiert sind Sie als Golfer ohnehin. Wir sind nur ein Prozent der Weltbevölkerung, die diesen wunderbaren Sport genießen dürfen.

Vielleicht lernen wir uns ja persönlich kennen. Denn Österreicher gibt es auf der Welt noch weniger als Golfer, das erhöht die Chance. Beginnen Sie am besten in Tirol – die Bergwelt müssen Sie einfach einmal selbst erlebt haben. Ob auf dem Golfplatz oder ganz für sich.

CHAMPIONSHIP GOLF COURSE WITH A SPORTING FOCUS.

An 18-hole course not far from the state capital Innsbruck, situated on a sunny terrace, surrounded by imposing nature and a unique panorama — the Innsbruck-Igls golf club is an absolute highlight in the sporting golf offering. Rinn is an alpine golf course with a pronounced sporting accent. The panorama of the northern range, viewed from the Wetterstein mountains and spanning the Limestone alps right down to the Wilder Kaiser leaves a lasting impression.

PARK COURSE NEAR INNSBRUCK.

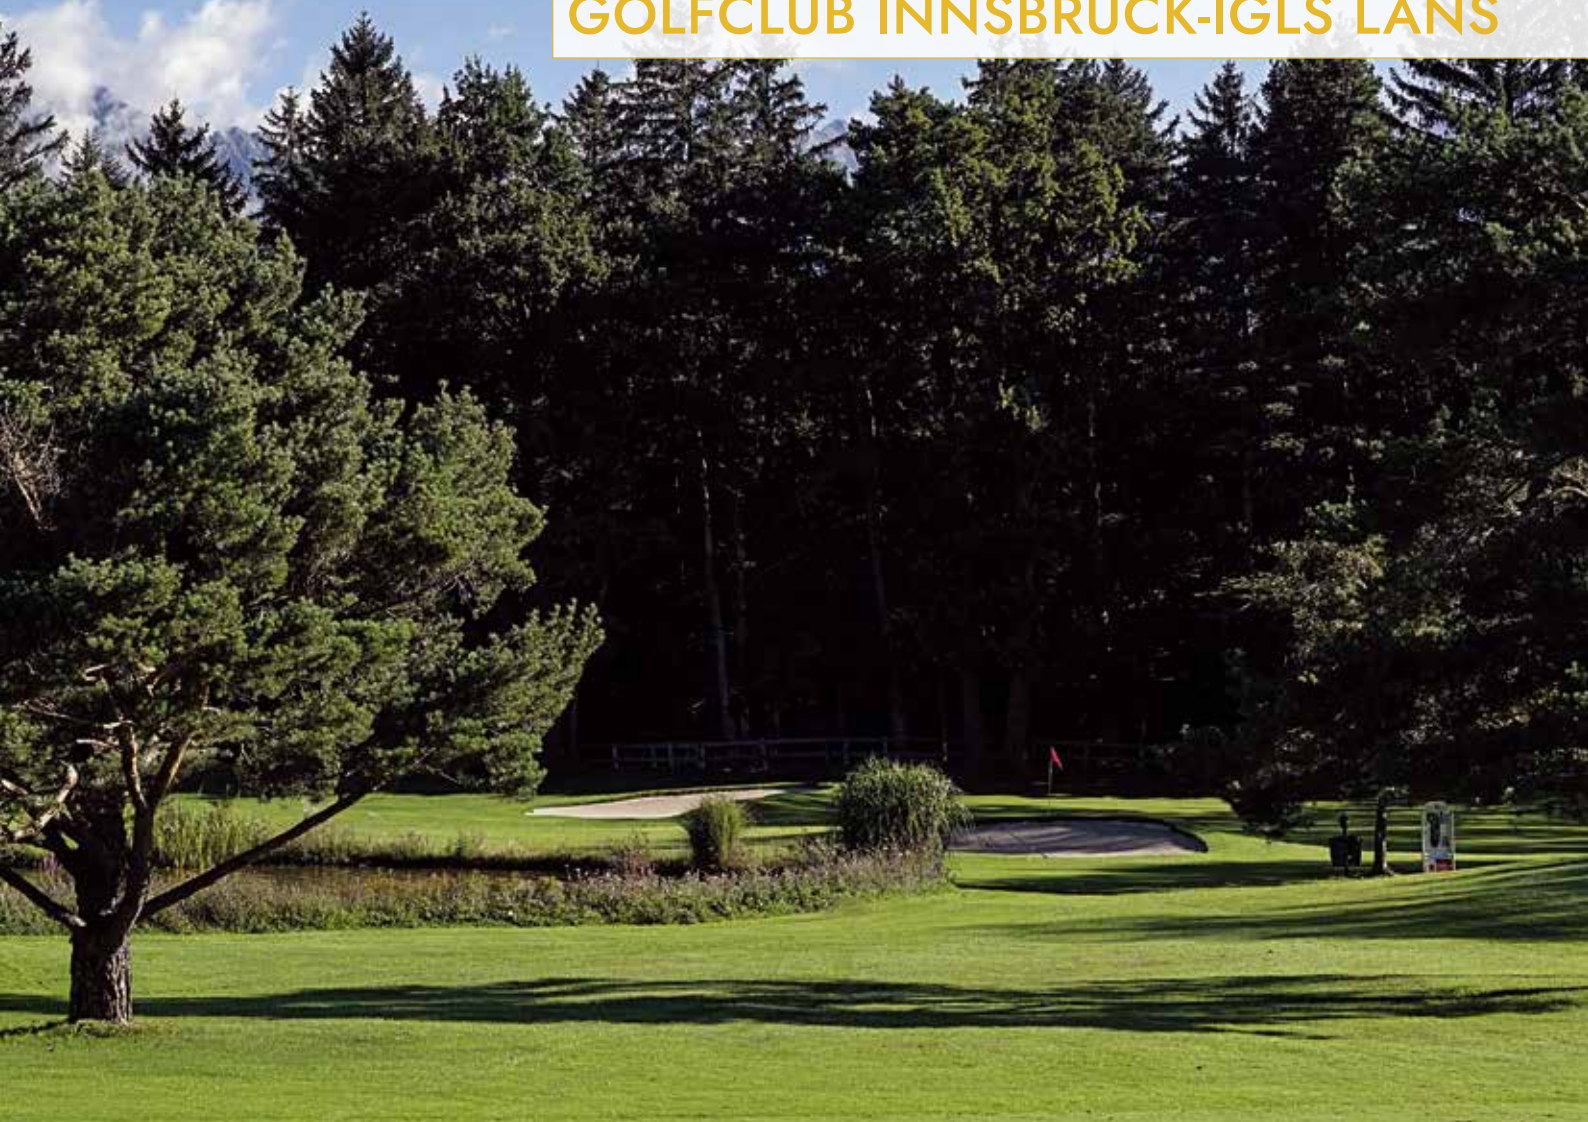

The romantic 9-hole golf course in Lans is located in a park-like landscape amidst fir-trees, deciduous trees and fruit trees. The course itself captivates by virtue of a seemingly easy fairway track and, at a normal rate, can be played in a good 90 minutes. Innsbruck-Igls golf club, with its courses Lans and Rinn, ranks among the absolute must-dos for enthusiastic golfers and is well worth the detour!

MAKE NATURE TO YOUR STAGE: SUMMER NIGHT'S DREAM AT LAKE ACHENSEE.

The view sweeps over a panorama of mountain and lake that is breath taking and the perfect backdrop for the Achensee Nature Stage. The roles in „A Midsummer Night's Dream“ are grandiose: turquoise-blue water, flowery meadows, majestic mountain giants. A fascinating variety of experiences is also part of the ensemble, which is unique in this form. First act golfing, second act biking and third act hiking? The region is a true paradise for friends of golf, which has a great tradition at Lake Achensee. In the middle of the village of Pertisau begins an 18-hole course that extends into the Karwendel Nature Park and is one of the „Leading Golf Courses of Austria“. Equally breath-taking is the ambience of the of the 9-hole course in Achenkirch. Golfers pitch, chip and putt here on a magnificent high plateau in the immediate vicinity of the Karwendel Nature Park.

TRADITION & GOLF PARADISE. The Achensee golf and country club boasts an idyllic location between the Achensee lake and the Karwendel nature reserve. Founded in 1934, it is the oldest Tyrolean golf club. The first tee is in the centre of the local village, the fairways are beautifully lined with old trees and framed by a breath-taking mountain scenery. The Achensee GC is listed among the “Leading Golf Courses” — a true golfer’s paradise in the heart of the Alps.

An 18-hole rustic hay lofts on level ground, doglegs, ponds, a small stream that flows all the way along the course and — to top it all off — a par 3 island green right in front of the sunny club house terrace, followed by culinary delicacies in the club house, all the while being ensconced in the lap of the Salzburg mountains.

UNIQUE GOLF COURSE WITH “BIRDIE JET”.

The golf cable car lift that gets you to the twelfth tee is unique in the world. From the 13th tee you can enjoy an impressive view of the majestic Dachstein mountain range and play the longest drive of your life from 1000 metres above sea level to the fairway 80 metres below. Green fairways, cool Alpine nights and the shade provided by the mountains make for highly refreshing rounds of golf, especially in the hot summer months.

A SPECIAL KIND OF GOLF COURSE.

In June 2022, the rebuilding of the old hole 9 - a short par 3 over the water - turned it into the new hole 10, which is not long (142 m from white), but due to its elevated green over the water it is very „tricky“. Through these minimal modifications - according to the original plans of Jack Nicklaus' original plans - the course has a completely new feel and the final hole is now located in front of the clubhouse. The impressive view from the terrace of the unique course design by the golfer of the century Jack Nicklaus is worth a visit.

„SCHÖNES SPIEL“ IN ÖSTERREICHS SÜDEN

KÄRNTEN
It's my life!

Hätten Sie das gewusst? In Europa gibt es rund 6800 Golfplätze und rund 4,1 Millionen Golfer. Die meisten Golfplätze – auf Länder bezogen – befinden sich mit rund 1900 in England. Vergleichsweise klein mutet da der Anteil von 165 Golfplätzen in Österreich an. Was an dieser Statistik aber das Entscheidende ist: 12 besonders attraktive Golfplätze befinden sich in Kärnten, im sonnigen Süden Österreichs. Und hier freuen sich bereits alle Beteiligten auf die Spielsaison 2023, die auf vielen Plätzen bereits im März beginnt. Beherbergungs- und Gastronomiebetriebe setzen alles daran, auch in noch von Corona-Einschränkungen beeinflussten Monaten für einen sicheren und entspannten Urlaub auf der Südseite der Alpen zu sorgen.

Was einen Golfurlaub in Kärnten außergewöhnlich macht? Der unverwechselbare Charakter jedes einzelnen Platzes und auf Golfer perfekt eingestellte Gastgeber als Partnerhotels. Und natürlich alle Möglichkeiten, die aus der Kombination aus Bergen und warmen Seen erwachsen. Was rund 100.000 Golfer in Österreich und 650.000 Golfer in Deutschland versäumen, wenn Kärnten ein weißer Fleck auf ihrer (Golf)Landkarte bleibt:

ALPE-ADRIA-GOLF CARD

Mit der grenzüberschreitenden Alpe-Adria-Golf Card können rund 20 der schönsten Plätze in Kärnten, Slowenien und Italien zum einheitlichen Preis bespielt werden. Dazu gibt es 40 Partnerhotels mit attraktiven Pauschalangeboten. Die Card umfasst 3, 4 oder 5 Greenfees (225, 290, 350 Euro). Die Alpe-Adria-Golf Card sorgt auch dafür, dass man in nur einem Urlaub gleich in drei Ländern Golf spielen kann. In Kärnten sind 10 Plätze an dieser Kooperation beteiligt.

HUNDE WILLKOMMEN

Der Hund darf mit! Hundefreundlich sind die Golfanlagen Klopeiner See-Südkärnten (12 Euro Gebühr), Moosburg-Pörtschach am Wörthersee und Velden-Köstenberg (jeweils 10 Euro Gebühr), Golfarena Bad Kleinkirchheim und Nassfeld Golf (beide kostenlos). Am 9-Loch Romantikurs des GC Klagenfurt-Seltenheim sind Hunde an der Leine ebenfalls willkommen.

HIER GIBT ES KEIN ENTWEDER ODER!

Badeurlaub oder Golfurlaub? Wanderurlaub oder Golfurlaub? Bike-Urlaub oder Golfurlaub? In Kärnten gibt es kein entweder oder. Bevor man am ersten Abschlag steht, kann man bereits eine Runde Schwimmen im See oder eine Runde mit dem Bike genossen haben. Der Golfpark Klopeiner See-Südkärnten kann in schneearmen Wintern ganzjährig bespielt werden.

ZWEI MAL JÄHRLICH „2 FÜR 1“

Im Frühling und Herbst gibt es einen Grund mehr, in Kärnten den Golfschläger zu schwingen. Mit der Aktion „2 für 1“ kann von Saisonstart bis 30. April und im Herbst ab 9. Oktober 2023 eine zweite Person kostenfrei mitspielen.

KÄRNTNER ALPEN ADRIA KÜCHE

In Kärnten spielt die Kulinarik eine ganz besondere Rolle. Hier findet man in jedem Winkel kulinarische Besonderheiten und das Bewusstsein für regionale Produkte. Die heute einzigartige Alpen Adria Küche Kärntens hat sich einst aus den Einflüssen der südlichen Nachbarn Italien und Slowenien entwickelt. Unbedingt probieren sollte man heimische Fische, Kärntner Nudel, Reindling, Kirchtagssuppe und Kärntner Brettljause. Wertvolle Tipps für eine kulinarische Entdeckungsreise durch Kärnten – egal ob im einfachen Gasthaus am Land oder beim Hauben-Koch auf der der Seeterrasse – liefert auch der Slow Food Guide 2023, ab Mitte März bei der Kärnten Werbung unter <https://www.karnten.at/slowfoodguide/> erhältlich. Er listet Restaurants, Almhütten, Hofläden und mehr auf.

ER/SIE GOLFT, WÄHREND SIE/ER GENIESST!

Kärnten ist aufgrund seiner Vielfalt auch dann das ideale Ziel für einen Golfurlaub, wenn einer der Partner kein Golf spielt. Während der eine sein Glück am Golfrasen versucht, kann der andere dem aktiven Genuss beim Radfahren (z. B. Mountainbiken, E-Bike-Touren...), Wandern oder Wassersport (z. B. SUPen, Paddeln, Kajaken etc.) frönen. Oder den Aussichtsturm Pyramidenkogel besuchen, durch die Innenstädte der Kärntner Städte bummeln oder an ausgewählten Slow-Food-Erlebnisprogrammen teilnehmen, bei denen man engagierten Lebensmittelhandwerkern über die Schulter schauen oder dabei auch selbst Hand anlegen kann. Das Spektrum reicht von Brotbackkursen und Heumilchverarbeitung bis zu Bierbrauen und Kräuterverkostungen. Wer neben dem Golf auch seine Tennisleidenschaft ausleben will, ist in Kärnten bestens aufgehoben. Viele Tennisanlagen sind bereits ab Ende März bespielbar. It's my life!

Als Golfer wird man nicht geboren! Golfer wird man. Durch Höhen und Tiefen. Mit kleinen und großen Erfolgen. Aber was wären all diese Gefühle ohne die Menschen, die sportliches Freud und Leid mit einem teilen? Unbeschwertheit und Glück gemeinsam erleben und das Leben genießen. In Kärnten.

GOLF WITH A VIEW. On a sunny, high plateau directly overlooking lake Millstätter See and framed by a magical landscape, the golf course offers breathtaking views. Whether it's the 18-hole golf course, the driving range with chipping, pitching and putting greens, a club house with a pro-shop or a large-terraced restaurant that's open to the public, the golf club leaves nothing to be desired.

MULTIPLE AWARDS. The Moosburg-Pörschach golf club (18 + 9) is situated very close to Pörschach by the Wörthersee. Design and planning in harmony with nature. Both courses are very fair — there is a challenging ambience for both the pro and the recreational golfer. In 1992, the 18-hole course was commended as the “Premier European Golf Course” and, since 2006, has enjoyed 4-star-superior rating.

Golfclub Schloss Pichlarn „plays around“ the 1000-year-old power course of the 5-star hotel of the same name and offers fantastic golf and nature experiences at the foot of the dramatic Grimming mountain massif. All four golf courses can be played with the SalzburgerLand Golf Alpin Card.

DAS WEINGUT POLZ. L'ART DE VIVRE SEIT 1912.

109 Jahre ist es her, da legte unser Urgroßvater Johann Polz am Grassnitzberg den Grundstein für unser Weingut, Rilke verfasste seine Duineser Elegien und im Nordatlantik versank die Titanic.

Heute arbeiten wir in 4. Generation daran, unsere Idee von Exzellenz ins Glas zu bringen. Mit unseren Händen, mit unseren Böden, mit der Natur.

Erich Polz jun. führt seit Frühling 2020 den Betrieb mit dem Willen, all das fabelhafte Potential und wertvolle Wissen,

das in der langen Geschichte unserer Familie steckt, in eine gute Zukunft zu geleiten. Eine Zukunft für viele weitere Generationen am Hof.

Erichs Bruder Christoph zeichnet für Keller und Vinifikation verantwortlich. Empathisch, ruhig, mit großem Vertrauen in jede Weintraube. Das, weil tatsächlich jede einzelne Frucht am Weingut Polz handverlesen den ehrwürdigen Weg ihrer erfreulichen Bestimmung antritt. Unerheblich, ob es sich um animierende Gebietsweine voller Le-

bendigkeit oder um die zur Perfektion gereiften, größtmöglichen Gewächse unseres Wirkungskreises handelt. Unsere Leidenschaft heißt Handarbeit. Und unser Handwerk erwächst direkt aus unserer Herkunft Südsteiermark.

Wesentliches Augenmerk gilt seit vielen Jahren schon, und in Zukunft noch wesentlich intensiver, der Nachhaltigkeit unseres Schaffens. Sei es nun der, nunmehr über ein Jahrzehnt praktizierte sanfte Rebschnitt, gänzlicher Verzicht auf Insektizide oder die, sich

gerade jetzt in Umsetzung befindliche, behutsame Umstellung all unserer Weingärten auf biologisch-organische Bewirtschaftung.

„Wir lernen seit 109 Jahren täglich dazu. Wir leben von und mit vitalen Reben in gesunden Böden. Wir geben vermehrt Wege, die unbesritten sind. Denn rien ist riskanter, als rien zu riskieren.“ Erich Polz jun.

The recently laid out ponds, gently blending with the landscape, the re-designed greens and the fairways that encompasses views of alpine foothills and sights such as Liechtenstein Castle, the Husars' Temple or St Gabriel Monastery make you forget that you are directly at the gates of Vienna.
