## **VORARLBERG, THE WESTERNMOST FEDERAL STATE IN**

**AUSTRIA** neighboring Germany, Switzerland and the Principality of Liechtenstein, is known for Lake Constance and the mountains, for modern architecture and lovingly restored traditional houses, for family businesses and global players, for the impressive landscape and top-class culture. In short: for variety in the smallest of spaces. This makes Vorarlberg a destination for golfers looking for variety on their vacation. Six completely different golf courses are within easy reach, and the drive from one to the next takes only 20 to 30 minutes in most cases. And the wide variety of activities on offer away from the courses allows for sporting, cultural and, above all, culinary enjoyment in all its many facets. In Vorarlberg, people enjoy being guests and players, connoisseurs and explorers.

**A SPECIAL CHALLENGE.** The golf park opened in 2006 in the heart of the Vorarlberg Rhine Valley near Rankweil. The special feature of this 18-hole course is not only its central location and quick accessibility, but also the beautiful harmonious landscape design with slight modeling on the otherwise flat surface. Round off your day of golf on our beautiful panoramic terrace.

## **THE REGION AROUND THE ALPINE TOWN OF BLUDENZ HAS A LOT TO OFFER**

- apart from the fact that all of Vorarlberg's golf courses can be easily reached from here. In Brandnertal, active people and families will find many ways to enjoy their vacation: whether on a sunrise hike, a bike tour up the mountain or discovering themed trails. The Klostertal invites you to experience nature at its best. The Formarinsee lake and the Rote Wand are destinations at alpine altitude, while a leisurely hike leads to Alpe Nenzigast. Bärenland on the Sonnenkopf adventure mountain guarantees lots of fun for families. Bludenz is located in the center of both valleys and combines nature, culture and town. The alpine town offers various markets, cozy inns and a wide range of stores and is the ideal starting point for sporting activities.

### HIKING WITH HUSKIES

### ALPINE MOSAIC MONTAFON

With this new hiking trail concept, no new trails or artificial content are created. Hikers move along an existing network of trails and learn about the diversity that the Montafon has to offer through well prepared background information and thus engage intensively with the culture, history and life in the Montafon - starting with the geology, flora and fauna to the cultural history of the valley.

The Montafon is located in the south of Vorarlberg – at the south-western end of Austria.

**A SUMMER IN ALL COLORS.** A summer in Lech Zürs is a journey of discovery. Between high mountains and high culture. Between adventure and gourmet cuisine. Between thrills and tranquillity. Towering above it all are majestic Alpine peaks with their rugged cliffs and green forests, which give the place its magic. A place that fascinates and inspires. As if made for an exchange between creative minds, philosophers and doctors. A place of strength for thinkers, athletes and those seeking relaxation ...

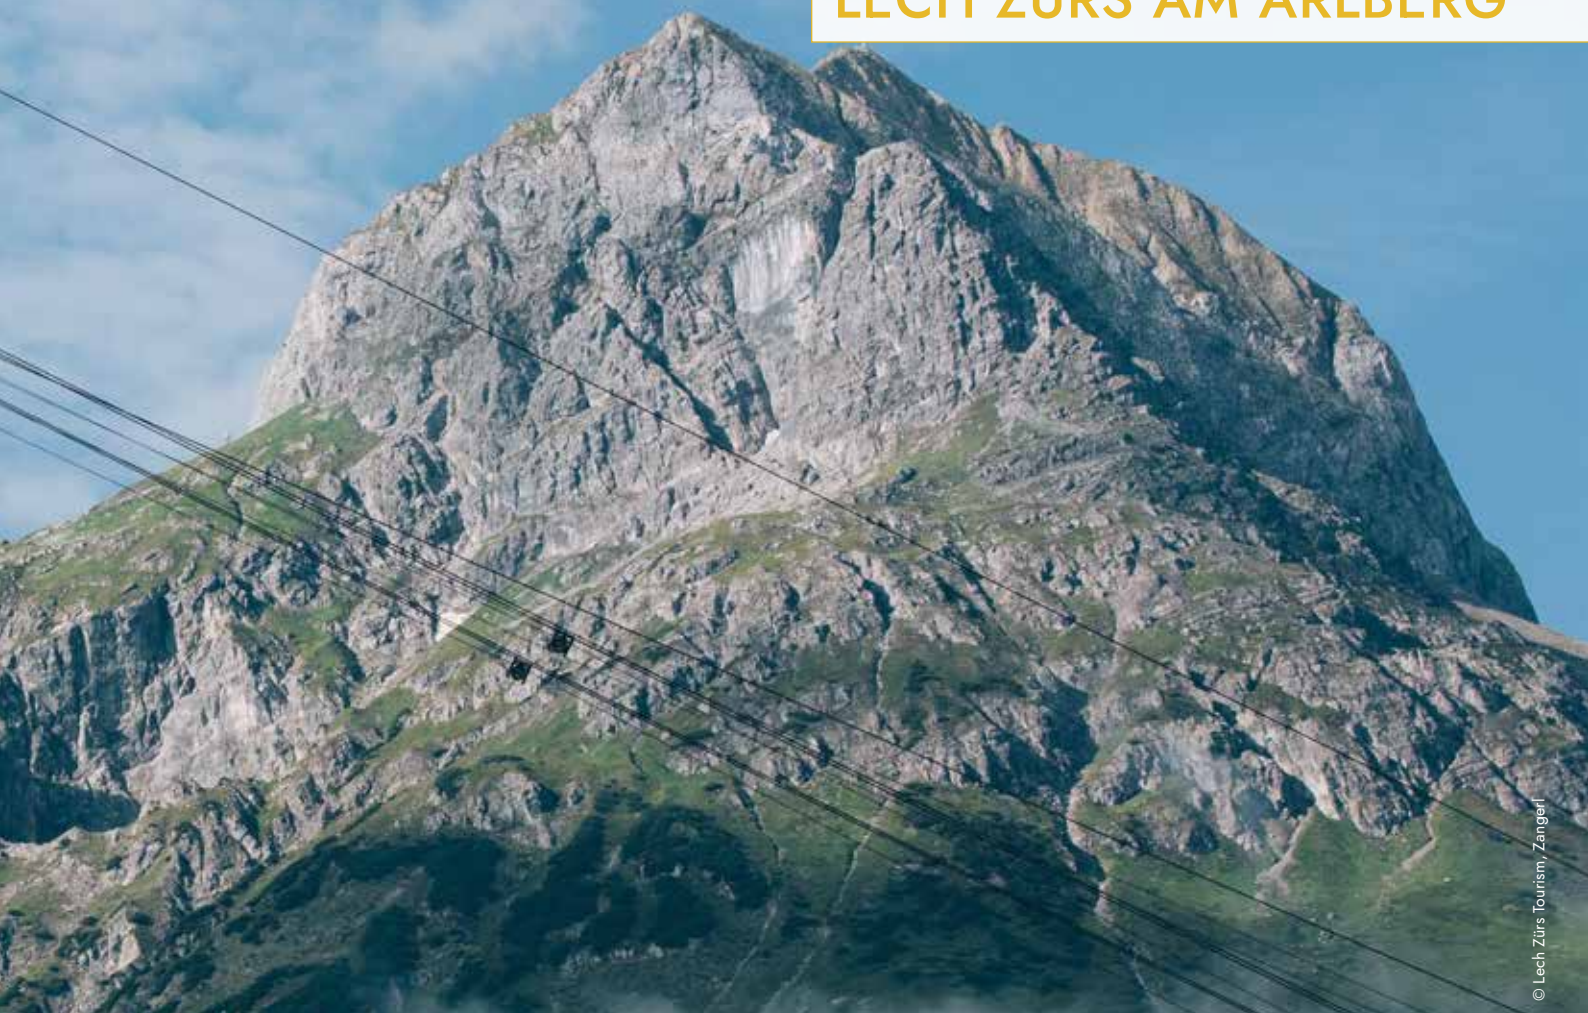

**A PLACE OF LONGING FOR EVERYONE.** And summer can do even more here. Flying balls at the golf tournaments and on the tennis courts. Dancing legs swinging at the village festivals and concerts. Culinary delights sometimes in the valley, sometimes on the mountain. But sometimes the cool waters of the mountain lakes or the forest swimming pool are all you need to find summer happiness under the Arlberg sun.

HERZ DER ALPEN

A romantic couple is lying together in a sand trap on a golf course. The man is wearing a striped shirt and the woman is wearing a patterned top. They are surrounded by a lush green landscape with wildflowers. In the background, a dense forest of evergreen trees leads up to a massive, rugged mountain range. The peaks of the mountains are illuminated by the warm, golden light of the setting or rising sun, creating a dramatic and scenic backdrop. The sky is a soft blue with wispy clouds.

### ENJOY GOLF, PEACE AND NATURE.

With two courses, a total of 27 holes, there is something for every level of player. The 18-hole Champion Course (par 73), surrounded by mountains and forests, offers a sporting challenge and at the same time absolute tranquillity for every golfer. The 9-hole park course, on the other hand, requires a fine touch over short distances and is therefore perfect for a compact training round and players with little experience of the course.

## 27-hole golfing pleasure - pure golf and nature

**OUR TIP:** The Greenvieh club restaurant is the meeting place for connoisseurs and golfers who enjoy a drink on the panoramic sun terrace, for example. Here you can sample wines from Joseph's Tiroler Weinbau, which are grown right next to the short course. Enjoy a break from Monday to Thursday at the rustic halfway station "Stöttalm" with a sensational panoramic view of the Tirolean mountains.

# REISEN SIE INS GLÜCK!

## ZUM BEISPIEL ZUM GOLFEN NACH ÖSTERREICH

**Wissen Sie was? Ich habe keine Lust mehr auf Krise.** Stattdessen möchte ich Ihnen etwas Schönes mitteilen: Mein Heimatland Österreich hat es unter die Top-10-Länder im World Happiness Report geschafft. Und was macht uns Bürger glücklich? Freiheit und Fürsorge, Großzügigkeit und Ehrlichkeit, Gesundheit, Einkommen und, naja, gute Regierungsführung.

**Besser geht immer – aber Erfolge soll man auch feiern.** So kennen wir Golfer es aus täglichem Erleben. Wer ist schon Weltspitze? Wichtig ist nicht der Vergleich mit anderen, sondern mit sich selbst zu einem früheren Zeitpunkt. Und da dürfen wir doch oft feststellen, dass wir uns durchaus entwickeln. Oft genug zum Besseren.

**Noch eine gute Nachricht: Unser Glück haben wir selbst in der Hand.** Mein Lieblingswert in der Glückseliste ist die Großzügigkeit. Sie macht fast alles andere möglich. Ich lade Sie ein, einmal bewusst großzügig durch Ihren Tag zu gehen. Am besten ist das ein Tag auf dem Golfplatz – vor allem, wenn Ihr Flightpartner einen richtig guten Lauf hat. Nehmen Sie sich vor, sich mit ihm zu freuen! Sie werden merken, dass das auch etwas mit Ihnen macht.

**Golfen unter Glücklichen: Das können Sie auf jedem Platz haben!** Natürlich zieht es auch mich auf legendäre Greens. Nur: da spiele ich oft am schlechtesten. Wer ist schon ganz bei sich, wenn Aura und Legende ablenken – und das Privileg hier spielen zu dürfen Ehrfurcht auslöst?

**Kommen Sie doch einfach nach Österreich.** Wir haben nicht nur wunderschöne Golfplätze, sondern auch eine einzigartige Natur, die sie einrahmt, eine fantastische Küche, großartige Weine und ein freund-

liches Wesen. Sie müssen nicht einmal weit reisen – und privilegiert sind Sie als Golfer ohnehin. Wir sind nur ein Prozent der Weltbevölkerung, die diesen wunderbaren Sport genießen dürfen.

**Vielleicht lernen wir uns ja persönlich kennen.** Denn Österreicher gibt es auf der Welt noch weniger als Golfer, das erhöht die Chance. Beginnen Sie am besten in Tirol – die Bergwelt müssen Sie einfach einmal selbst erlebt haben. Ob auf dem Golfplatz oder ganz für sich.

*„Die Steigerung von Leben heißt Erleben“*

**Dein Handicap, deine Reise: Mit mentaler Stärke zum Erfolg auf dem Golfplatz!**

Mit meinem Golf mental Handicap Coaching biete ich dir die Gelegenheit, dein angestrebtes Handicap zu erreichen – und das mit mehr Spaß und innerem Frieden beim Golfspiel.

Warum? Weil Golf zu 90 % eine mentale Herausforderung ist, und die restlichen 10 % ebenso. Ich helfe dir dabei, nicht nur dein Spiel zu verbessern, sondern auch deine mentale Stärke auf dem Platz zu entwickeln, damit du deine Ziele mit Selbstvertrauen und Freude erreichen kannst.

**Bereit, dein Golfspiel auf die nächste Stufe zu heben?**

Kontaktiere mich jetzt per E-Mail unter **office@robertnussbaumer.com** oder wähle **+43 664 101 12 51**, um deine Reise zu einem besseren Handicap zu beginnen.

Ich freue mich darauf, von dir zu hören!

## **BETWEEN THE KITZBÜHEL ALPS AND THE HOHE TAUERN NATIONAL PARK.**

Anyone can do summer by the sea. If you really want to experience something, spend your summer vacation in Mittersill-Hollersbach-Stuhlfelden. On hot days, rustic forests and fantastic summit views on the mountain will cool you down, and a dip in one of the national park lakes will put an end to any further hot flashes. There are numerous adventures to experience between the Kitzbühel Alps and Hohe Tauern National Park - hiking, gravel biking or lovingly staged themed trails. Before, after and in between, you can stop off at one of the many inns and huts. Traditional delicacies from the Pinzgau region are always worth a stopover. Incidentally, the Pinzgau dialect is also a great foreign language. Vacation feeling guaranteed!

### UNIQUE RIGHT FROM THE START.

In a quiet location lies the flat 18-hole course. Old hay barns, doglegs and a stream run through the entire course, giving it a special atmosphere. The impressive island green directly in front of the sunny club terrace is the crowning glory - all this characterizes this beautiful and easily accessible course. **OUR TIP:** This golf course should not be underestimated! # Reinhard-Karl Üblacker

## The golfer

Ambitious. Aspiringly. Addicted to golf. Nickname: Hole-in-One-Reinhard. That's Reinhard-Karl Üblacker. Born in 1971, he was one of the best players in Austrian miniature golf in his youth. Since qualifying for the course in 2020, he has been training on the green at least five times a week - at his training base at Das Achental resort in Grassau in the Bavarian Chiemgau region or on one of the varied courses in Austria.

## The vision

Reinhard-Karl Üblacker wants to turn his passion into a profession. Together with his team of golf experts, the social media manager is working to show that it is possible to learn golf at an advanced age and develop into a playing pro. The plan: he wants to play on the Legends Tour, the tournament series for over-50s. He started in 2021 and switched to competitive sport a year later.

## The team

Reinhard-Karl Üblacker receives professional support from renowned experts: Sebastian Heisele trains performance and technique with him. He is a former and successful player on the Pro Golf, Challenge, Asian and DP World Tour (formerly European Tour) and now works as a golf coach and commentator for Sky.

Then there is Artur Frank. He is a sectoral naturopath and sports physiotherapist and looks after golfers on the DP World Tour worldwide - and Reinhard-Karl Üblacker. Silke Lüdike is responsible for his mental fitness. She has been working as a mental coach for Golf Team Germany since 2015, where she looks after the professionals.

## The status quo

Single handicap. Reinhard-Karl Üblacker has already achieved this. In recent years, he has played 164 different golf courses in eight countries and made two hole-in-ones. His best score to date was a round of 70 on a par 69 course. Almost 20,000 followers now follow his journey to becoming a tour pro on his social media channels.

# EUGENDORF

## das Golfparadies rund um die Mozartstadt Salzburg

*Salzburg ist nicht nur ein barockes Juwel nördlich der Alpen, sondern auch ein Mekka in Österreichs Golflandschaft.*

»Quality Time« erreicht beim Golfurlaub in Eugendorf neue Dimensionen: Der Tag beginnt entspannt bei einem Spiel auf den abwechslungsreichen Plätzen in und um Eugendorf, danach gibt es eine kleine Wellnesspause im Hotel und anschließend geht es zum Kultur- oder Shopping-Ausflug in die Salzburger Altstadt. Kulinarisch klingt der Tag gemütlich bei den Eugendorfer GenussWirten aus. Klingt hervorragend? Wir freuen uns auf Sie!

### Mozartgolf-Region

Wer in Eugendorf seinen Golfurlaub plant, kann gleich drei Golfplätze direkt vor Ort

bespielen: Den Golfclub Salzburg Championscourse Eugendorf, den Golfplatz Römergolf und den Golf & Country Club Gut Altentann. Weitere elf Golfplätze liegen in einem Radius von 30 Kilometern und gehören ebenso zur Mozartgolf-Region.

Mit seiner abwechslungsreichen Landschaft ist die Mozartgolf-Region das ideale Golfterrain mit vielen unterschiedlichen Facetten, die von Plätzen an malerischen Seen bis hin zu einem atemberaubenden Bergpanorama reichen.

Die Mozartgolf-Card ist dabei mit individuell aufbuchbaren Greenpoints die Ein-

trittskarte zu den Golfplätzen und ist in allen Golfhotels in Eugendorf erhältlich. Abgerechnet werden nur jene Runden, die auch tatsächlich gespielt wurden – zusätzlich gibt es ermäßigte Greenfees und weitere Benefits wie Range-Bälle und vieles mehr.

### Genuss in jeder Hinsicht

Abgerundet wird das Golfgenuss-Erlebnis mit Wellnessmöglichkeiten direkt in den Hotels, so kann nach den Abschlügen in der Sauna, Dampfbad oder Pool optimal entspannt werden.

Und wer nach dem sportlichen Genuss am Green Abwechslung in der Kultur sucht, den lädt die historische Salzburger Altstadt zum ausgedehnten Stadt- und Schaulustbummel ebenso ein wie zu Kultur-Erlebnissen der Extraklasse.

Im Anschluss daran wird bei den Eugendorfer GenussWirten regional, saisonal und in Top-Qualität aufgekocht – Lassen Sie sich von der Herzlichkeit in den familiengeführten Gasthöfen verwöhnen!

*Der Golfclub am Mondsee und der Golfclub Waldhof (rechts) sind nur zwei von vielen Mozartgolf-Golfplätzen mit einem imposanten Naturerlebnis.*

# „SCHÖNES SPIEL“ IN ÖSTERREICHS SÜDEN

**KÄRNTEN**  
It's my life!

Hätten Sie das gewusst? In Europa gibt es rund 6800 Golfplätze und rund 4,1 Millionen Golfer. Die meisten Golfplätze – auf Länder bezogen – befinden sich mit rund 1900 in England. Vergleichsweise klein mutet da der Anteil von 165 Golfplätzen in Österreich an. Was an dieser Statistik aber das Entscheidende ist: 12 besonders attraktive Golfplätze befinden sich in Kärnten, im sonnigen Süden Österreichs. Und hier freuen sich bereits alle Beteiligten auf die Spielsaison 2025, die auf vielen Plätzen bereits im März beginnt.

Was einen Golfurlaub in Kärnten außergewöhnlich macht? Der unverwechselbare Charakter jedes einzelnen Platzes und auf Golfer perfekt eingestellte Gastgeber als Partnerhotels. Und natürlich alle Möglichkeiten, die aus der Kombination aus Bergen und warmen Seen erwachsen. Was rund 100.000 Golfer in Österreich und 650.000 Golfer in Deutschland versäumen, wenn Kärnten ein weißer Fleck auf ihrer (Golf)Landkarte bleibt:

## ALPE-ADRIA-GOLF CARD

Mit der grenzüberschreitenden Alpe-Adria-Golf Card können rund 15 der schönsten Plätze in Kärnten und Italien zum einheitlichen Preis bespielt werden. Dazu gibt es 40 Partnerhotels mit attraktiven Pauschalangeboten. Die Card umfasst 3, 4 oder 5 Greenfees (240, 310, 375 Euro). Die Alpe-Adria-Golf Card sorgt auch dafür, dass man in nur einem Urlaub gleich in drei Ländern Golf spielen kann. In Kärnten sind 10 Plätze an dieser Kooperation beteiligt.

## HUNDE WILLKOMMEN

Auch Vierbeiner sind in Kärnten willkommen: Hundefreundlich zeigen sich die Golfanlagen Klopeiner See-Südkärnten (5 Euro Gebühr), Moosburg-Pörtschach am Wörthersee, KGC Dellach (10 Euro Gebühr), Golfarena Bad Kleinkirchheim, Nassfeld Golf, Golfanlage Millstättersee, Jacques Lemans Golfclub St. Veit und Golf Velden Wörthersee (kostenlos). Am 9-Loch Romantikkurs des Golfclub Klagenfurt-Seltenheim sind Hunde an der Leine ebenfalls gern gesehen.

## HIER GIBT ES KEIN ENTWEDER ODER!

Badeurlaub oder Golfurlaub? Wanderurlaub oder Golfurlaub? Bike-Urlaub oder Golfurlaub? In Kärnten gibt es kein entweder oder. Bevor man am ersten Abschlag steht, kann man bereits eine Runde Schwimmen im See oder eine Runde mit dem Bike genossen haben. Der Golfpark Klopeiner See-Südkärnten kann in schneearmen Wintern ganzjährig bespielt werden.

## ZWEI MAL JÄHRLICH „2 FÜR 1“

Im Frühling und Herbst gibt es einen Grund mehr, in Kärnten den Golfschläger zu schwingen. Mit der Aktion „2 für 1“ kann von Saisonstart bis 30. April und im Herbst ab 6. Oktober 2025 eine zweite Person kostenfrei mitspielen.

## KÄRNTNER ALPEN ADRIA KÜCHE

In Kärnten spielt die Kulinarik eine ganz besondere Rolle. Hier findet man in jedem Winkel kulinarische Besonderheiten und das Bewusstsein für regionale Produkte. Die heute einzigartige Alpen Adria Küche Kärntens hat sich einst aus den Einflüssen der südlichen Nachbarn Italien und Slowenien entwickelt. Unbedingt probieren sollte man heimische Fische, Kärntner Nudel, Reindling, Kirchtagsuppe und Kärntner Brettljause. Wertvolle Tipps für eine kulinarische Entdeckungsreise durch Kärnten – egal ob im einfachen Gasthaus am Land oder beim Hauben-Koch auf der der Seeterrasse - liefert auch der Slow Food Guide 2025. Bei der Kärnten Werbung unter <https://www.kaernten.at/slowfoodguide/> erhältlich. Er listet Restaurants, Almhütten, Hofläden und mehr auf.

## ER/SIE GOLFT, WÄHREND SIE/ER GENIESST!

Kärnten ist aufgrund seiner Vielfalt auch dann das ideale Ziel für einen Golfurlaub, wenn einer der Partner kein Golf spielt. Während der eine sein Glück am Golfrasen versucht, kann der andere dem aktiven Genuss beim Radfahren (z. B. Mountainbiken, E-Bike-Touren...), Wandern oder Wassersport (z. B. SUPen, Paddeln, Kajaken etc.) frönen. Oder den Aussichtsturm Pyramidenkogel besuchen, durch die Innenstädte der Kärntner Städte bummeln oder an ausgewählten Slow-Food-Erlebnisprogrammen teilnehmen, bei denen man engagierten Lebensmittelhandwerkern über die Schulter schauen oder dabei auch selbst Hand anlegen kann. Das Spektrum reicht von Brotbackkursen und Heumilchverarbeitung bis zu Bierbrauen und Kräuterverkostungen. Wer neben dem Golf auch seine Tennisleidenschaft ausleben will, ist in Kärnten bestens aufgehoben. Viele Tennisanlagen sind bereits ab Ende März bespielbar. Mehr Infos dazu: <https://www.kaernten.at/tennis/>

# DAS WEINGUT POLZ. L'ART DE VIVRE SEIT 1912.

113 Jahre ist es her, da legte unser Urgroßvater Johann Polz am Grassnitzberg den Grundstein für unser Weingut, Rilke verfasste seine Duineser Elegien und im Nordatlantik versank die Titanic.

Heute arbeiten wir in 4. Generation daran, unsere Idee von Exzellenz ins Glas zu bringen. Mit unseren Händen, mit unseren Böden, mit der Natur.

Erich Polz jun. führt seit Frühling 2020 den Betrieb mit dem Willen, all das fabelhafte Potential und wertvolle Wissen,

das in der langen Geschichte unserer Familie steckt, in eine gute Zukunft zu geleiten. Eine Zukunft für viele weitere Generationen am Hof.

Erichs Bruder Christoph zeichnet für Keller und Vinifikation verantwortlich. Empathisch, ruhig, mit großem Vertrauen in jede Weintraube. Das, weil tatsächlich jede einzelne Frucht am Weingut Polz handverlesen den ehrwürdigen Weg ihrer erfreulichen Bestimmung antritt. Unerheblich, ob es sich um animierende Gebietsweine voller Le-

bendigkeit oder um die zur Perfektion gereiften, größtmöglichen Gewächse unseres Wirkungskreises handelt. Unsere Leidenschaft heißt Handarbeit. Und unser Handwerk erwächst direkt aus unserer Herkunft Südsteiermark.

Wesentliches Augenmerk gilt seit vielen Jahren schon, und in Zukunft noch wesentlich intensiver, der Nachhaltigkeit unseres Schaffens. Sei es nun der, nunmehr über ein Jahrzehnt praktizierte sanfte Rebschnitt, gänzlicher Verzicht auf Insektizide oder die, sich

gerade jetzt in Umsetzung befindliche, behutsame Umstellung all unserer Weingärten auf biologisch-organische Bewirtschaftung.

*„Wir lernen seit 113 Jahren täglich dazu. Wir leben von und mit vitalen Reben in gesunden Böden. Wir geben vermehrt Wege, die unbeschriftet sind. Denn rien ist riskanter, als rien zu riskieren.“* Erich Polz jun.
